## STALLION SERVICE CONTRACT

The purpose of this contract is for the purchase of semen from the Friesian Stallion: **HANNIBAL**.

This Stallion is owned by Valerie Frederick and stands in Morriston, FL. This contract is between

Valerie Frederick (*Valhalla Friesian Farm*) and \_\_\_\_\_

(Mare Owner) to cover the insemination of the Mare \_\_\_\_\_

for the 2014 Breeding Season.

Breed of Mare: \_\_\_\_\_

Registration #: \_\_\_\_\_

*Valhalla Friesian Farm* and Mare Owner mutually agree that this contract includes the following terms and conditions:

### **Terms, Semen Collection, A. I and Shipment:**

1. Mare Owner is the legal owner/lessee of the mare and desires to purchase semen to artificially inseminate the above-mentioned mare. Use of this semen is limited to the Mare covered by this contract. A breeding certificate will be issued to cover registration of one (1) foal, unless twins are born.
2. Mare Owner agrees to pay the full breeding fee of \$750.00 as well as a collection fee of \$200.00 *before* the semen is collected, cooled, frozen, shipped and inseminated.
3. Mare owner is to contact the *Equine Medical Center of Ocala at 7107 West Hwy 326, Ocala, Florida 34482, Phone: (352) 873-7830* for insemination or semen shipment. An account must be set up with the *Equine Medical Center of Ocala* as well as insemination or semen shipping fees for each semen collection, if applicable. See <http://www.emcocala.com/reproductive.html> for more information.
4. The cost of shipping and semen container are the responsibility of the Mare Owner and will be billed by the *Equine Medical Center of Ocala*.
5. Mare Owner must give *Valhalla Friesian Farm* and the *Equine Medical Center of Ocala* adequate notice when the Mare is coming into heat and must have taken care of the payment requirements for semen collection and shipping. At least a 72-hour collection notice must be given for prompt service. Mare Owners are served by appointment only, therefore it is strongly recommend Mare Owners notify *Valhalla Friesian Farm* and the *Equine Medical Center of Ocala* of their anticipated breeding date.
6. *Valhalla Friesian Farm* recommends that Mare have an ultra sound between 14 and 20-days after insemination and, if pregnant, done again at 30-days to confirm pregnancy.

# VALHALLA FRIESIAN FARM

7. *Valhalla Friesian Farm* will make every effort to assist Mare Owner and Mare Owner's Veterinarian in getting the contract Mare pregnant. Should the Mare fail to conceive and a completed veterinary certificate to that effect be received by us, *Valhalla Friesian Farm* will renew this contract and conditions for the next breeding season with no charges for the Breeding Fee; However, Semen Collection Fees and Semen Transport Fees will still apply. *Valhalla Friesian Farm* reserves the right to require Mare Owner to substitute the Mare depending on information received from the Mare Owner and Veterinarian.
8. Should Mare fail to carry the conception to full term or delivers a foal that stands and nurses, a return privilege will be granted which must be used in the next breeding season. The Breeding Fee will be waived, but Semen Collection Fees and Semen Transport Fees will still apply. A Veterinarian Certificate must be received determining cause of death, abortion, or stillborn nature of the foal, plus a breeding soundness report that the Mare is again fit to breed. This guarantee also covers the death of the Mare prior to foaling and delivering a live foal.
9. This contract is for fresh cooled semen from Friesian Stallion, *Hannibal*. In case of the death of above Stallion before servicing the mare or in honoring any return privileges or live foal guarantee, *Valhalla Friesian Farm* will refund all fees to mare owner.
10. It is the Mare Owner responsibility to contact the appropriate registries to register their foal and complete its requirements.
11. This breeding contract is subject to interpretation under the laws of the State of Florida and any disputes must be brought in a court of lawful jurisdiction in Levy County.
